Human Resources department at WorldCom, Inc. (see ATTACHMENT A, Assistant's E-mail conversation with Human Resources to locate Mr. Sibley's address, January 4, 2001). The undersigned then requested, in a cover letter sent to Mr. Sibley's last known residence address, that co-inventor Mr. Sibley review a copy of the specification, claims and drawings, and return an executed copy of the Declaration and Assignment. (see ATTACHMENT B, Oakes' Letter to Sibley, January 5, 2001). The last known residence address for Mr. Matthew J. Sibley is:

20231 Birdnest Place
Ashburn, VA 22011

OFFICE OF PETITIONS

As evidenced by a copy of the front cover of the returned package (ATTACHMENT C, Express mail package cover) the letter was returned to Applicants since there was no forwarding address at the Post Office. Furthermore, the undersigned received no further evidence that Mr. Sibley will be executing the Declaration.

Based upon the above-described communication to Mr. Sibley, and based upon information and belief that the letter requesting signature of the declaration and Assignment documents after review of the specification drawings and claims were sent to Mr. Sibley's last known address, Mr. Sibley is unavailable to execute the Declaration.

In view of the fact that Applicants can no longer locate co-inventor Matthew J. Sibley, the declaration provided in Attachment C of the Applicants' original petition filed April 6, 2000 completes the remaining requirements under 37 C.F.R. § 1.47(a) indicated in the Decision Refusing Status. Specifically, Applicants submit that adequate proof has been provided indicating that the inventor cannot be reached, the Declaration is acceptable under 37 C.F.R. § 1.63, the appropriate petition fee accompanied the Petition, and Mr. Sibley's last known address has been provided.

Thus, the granting of this Petition is respectfully requested.

Tracy –

The only information that's in the database for MS is an address of P.O. Box 2543, Fairfax, VA. 22032. There is no phone number.

I've requested the information to be pulled from his HR file in Denver; it usually takes a week to get that. As soon as I get something from HR Records, I'll forward it to you.

Thanks,
Cheryl
